

PEOPLE'S HISTORY PROJECT

BE PART OF BC HISTORY

Share your story about arriving, growing up, working or living in BC through *The People's History*, a component of *Free Spirit*, a project presented by the Royal BC Museum.

Filled with photographs, text, audio and video submissions, *The People's History Project* will accept story submissions until Jan. 11, 2009. Then it will live on in the BC Archives as an electronic time capsule of BC history as seen through the eyes of British Columbians in 2008 – the province's 150th anniversary year.

Add your story to *The People's History Project* at

Or record your story in your own voice at 250-381-4305.
