## Starting Your Genealogical Research in Quebec?

**Special Interest Group**

## JUST STARTING?

### GATHER YOUR FAMILY INFORMATION TOGETHER

Collect as much information as you can about your ancestors from family members. Ask those with family photographs and memorabilia to help. Then work *backward* in time through census records, birth, marriage and death information as well as other government, church and historical records.

Join the B.C.G.S. Quebec Questers Special Interest Group. Get tips and advice from experienced researchers for sources on and off line. Share your brick walls and successes with other Quebec researchers. Maybe you'll find a cousin in the group!

We research in a variety of areas: Filles a marier, Filles du roi, Carignan-Salieres Regiment, Hessians, Acadians, UEL, Irish, Scotch, and English as well as French-Canadians.
