

The Maritimes:

Nova Scotia, Prince Edward Island,
New Brunswick, Newfoundland
and Labrador - with Terry Rogers

This class will appeal to those who are starting their research or need a refresher

This course will include:

- ◆ Where to start your research in each province.
- ◆ A refresher on both the low hanging research fruit for the Canadian Maritimes and some of the more obscure but useful resources available.
- ◆ The major influxes of immigrants in each Province and when they happened and where to find the best records for each.
- ◆ The major emigrations from each Province, when they happened and where many of the people went.
